Description

Charming set of decorative fruits in polychrome marble and alabaster, typical of Italian craftsmanship from the 1960s and 70s. Each fruit is hand-carved and sculpted, then patinated to mimic natural colors: apples, pears, peaches, lemon, orange, banana, and a slice of watermelon. The stone is of very high quality, with a luminous polish that perfectly captures the light. Ideal as a table decoration, vintage centerpiece, colorful display, or mineral collection. Material: Genuine marble & alabaster. Style: Vintage 1960s/70s, Italian decor. Condition: Very good overall condition - minor natural irregularities inherent to the stone. An authentic, decorative, and inviting set, perfect for complementing a retro, mid-century, bohemian, or contemporary setting.
