### Description

A large, rectangular serving tray in silver-plated metal on copper, richly decorated. The rim is adorned with a relief design of vine tendrils, leaves, and grapes, with openwork handles integrated into the edge, featuring highly detailed modeling. The basin displays fine engraving with floral and scrolling motifs, arranged around a central medallion, typical of decorative production from the second half of the 19th century. The piece demonstrates meticulous craftsmanship in tableware, intended for use in entertaining or presentation within a bourgeois or hotel setting. A striking decorative piece, ideal as a centerpiece, serving tray, or statement object.
