Description

Pair of Italian crystal and bronze wall lamps, early 1900s four-armed wall lights of Italian origin in perfect condition, fully restored by our workshop. A Rocaille-style cast bronze wall plate supports a scrolling arm holding the central stem realized with crystal bulbs and foliate motif bronze elements, four protruding bronze arms extend from this central element, four scroll curved arms with foliate motifs ending in a double bronze and crystal bobeches and a E14 light fitted inside a faux wood candle. These antique Italian wall lights have a very important design that requires adequate space, protruding 34 centimeters from the wall. Each sconce works with four Edison 14 light bulbs, new wiring for European standards, wired with 0.35 mm wire. These living room antique Italian sconces are
