

## Empire Trumeau, Circa 1800, Fixed Under Glass

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Glass

Width : 73 cm

Height : 142 cm

### Description

A rare overmantel mirror decorated with a reversed glass panel depicting an antique scene, likely Roman, in a gilt frame with palmettes and its original mercury glass. There is some lifting of the reversed glass, which is no longer visible when the mirror is displayed at a height; otherwise, it is in very good overall condition for this type of object, which is quite difficult to find.  
First Empire period
