

Amusing Bronze Animal Sculpture Of A Beggar Dog With A Coppery Brown Patina, Circus Animal.

260 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

This charming bronze sculpture of a begging dog, wearing trousers with a hole at the knee, is in good condition, with a beautiful coppery-brown patina. The bronze is unsigned and has a gap on the back, suggesting it may have originally been part of a larger object. Height: 14 cm. Fast, careful, and very secure shipping with invoice.
