Description

Pair of Antique Walnut Armchairs - Louis XV Style. Beautiful pair of antique armchairs in solid walnut, in the Louis XV style, resting on cabriole legs. The elegantly shaped armrests and refined frame testify to careful and harmonious craftsmanship. The armchairs are upholstered in a period or antique ochre/gold geometric patterned fabric, studded all around. The seat is wide and comfortable, the slightly inclined back provides good support. The chairs are in good condition and stable. Signs of wear and patina are visible, consistent with their age, without detracting from their charm or sturdiness. The fabric shows slight wear commensurate with age. Ideal for a living room, bedroom, office, or any interior with character, whether in a classic or more eclectic style. Dimensions (per armchair): Height: 76 cm
