Description

Description This vintage gouache painting depicts an art and antiques auction within a richly coloured interior. An auctioneer stands on a raised platform addressing a tightly gathered group of bidders, while a classical urn in the foreground reinforces the antiques theme. Deep red walls contrast with cool greys and muted whites, and suspended globe lights provide soft, even illumination across the scene. The composition is carefully structured, guiding the viewer from the foreground figure holding a rolled catalogue into the clustered crowd beyond.

Artist Unknown artist, active mid-20th

century. Artist Details The painting demonstrates confident handling of gouache and a structured approach to interior composition. The focus on social gathering and architectural setting aligns
