### Description

Coffee table with 18th-century carved wooden elements  
Coffee table crafted using authentic 18th-century carved wooden ornaments, carefully restored and reinterpreted in a striking decorative piece. The finely sculpted wooden elements, bearing a beautiful aged patina, are harmoniously bound together by a refined gilded iron frame, providing both stability and visual lightness. The transparent glass top enhances the sculptural bases, allowing full appreciation of their intricate decorative details. A unique piece that blends historical character with contemporary design, perfect for classic, eclectic, or high-end interiors.
