

Museum - Rare Gothic Candlestick, Flanders Circa 1500 - Superb Patina

2 900 EUR

Period : Before 16th century

Condition : En l'etat

Material : Brass

Description

Gothic candlestick, brass, circa 1500. Superb patina, concretions present. Visible loss at the base. There are objects that do not seek to shine: they pass through time with the same clarity as on the first day, bearers of an authenticity that nothing alters and a beauty that does not depend on any era.
