

## French School Circa 1870 : Oil On Paper "coastal Landscape"

450 EUR

Period : 19th century

Condition : Bon état

### Description

French School, circa 1870: "Coastal Landscape," oil on paper, approximately 24.3 x 29.5 cm, laid down on cardboard, 25 x 30 cm, mounted in a German gilt frame (minor damage), 30 x 35 cm. Irregular trim and two small losses at the top, concealed by the rabbet. Disassembly confirms that this study was painted en plein air, pinned at the corners to a small board. The firm, almost angular, and remarkably precise brushwork suggests the artist is somewhere between Corot and Jean-Baptiste Olive--a connection worth exploring ! Under a cloudless blue sky, a rocky coast at low tide opens onto a bay, revealing rocks covered in seaweed, while on the opposite shore, a town with its church and a red tower, perhaps a lighthouse, can be seen. Please feel free to request additional photos or information by
