690 EUR

Signature : Van Doorn

Period : 20th century

Condition : Bon état

Material : Metal

Diameter : 30

Height : 160

Description

This "witch" lamp resembles the famous Panama lamp designed by Wim Rietveld in the 1950s. It can be positioned in various ways by adjusting the central part of the stem or the metal shade. It is in its original condition, with some minor paint loss, but remains in very good condition considering its age.
