Description

Small tabletop cooler for a glass; Nevers earthenware from the 18th century with blue decoration. Cylindrical in shape, a notch allows the base of the glass to rest when it is placed inside; two mascarons forming ears allow it to be moved when the glass is inside. In good overall condition, however, there is a short vertical line at the top and a slight chip underneath. A handsome earthenware object. Dimensions: Height 11.5 cm; Width with mascarons: 16 cm; Base diameter: 11.8 cm; Inner diameter: 10.5 cm
