

## Animal Bronze, The Owl, Salvatore Milo

485 EUR

Signature : MILO

Period : 20th century

Condition : Parfait état

Material : Bronze

Diameter : 12 cm

Height : 25 cm

### Description

No doubt about it, this owl, as sleek as Pompon's animal sculptures, gazes down at you again and again. On its elegant base, you can see the artist's signature as well as the foundry mark from Paris. Lost-wax bronze with a lovely brown patina...  
Absolutely nothing to add...
