180 EUR

Period : 20th century

Condition : Très bon état

Material : Linen

Width : 216

Height : 226

### Description

Beautiful set of four pairs of fabric curtains with spectacular decor of exotic birds, large flowers and lush foliage, in a beautiful palette of blue, gold, green and red on a light background. The fabric, a mix of synthetic fibers glazed, is supple and bright, offering a flowing drape and pretty shades depending on the light. The curtains are unlined, and equipped with a ruflette allowing easy hanging with rings. The colors are fresh and vibrant, testifying to a beautiful conservation. Each curtain is made of two strips (see photo). Period : 20th century Composition : mix of synthetic fibers iced Decor : birds, large flowers and foliage State : very good Finish : rough for immediate installation Quantity : 4 assorted pairs A decorative set full of vitality and charm, perfect to dress a room with
