Description

Elegant three-light chandelier in gilt and patinated bronze, richly decorated with a naturalistic motif of blooming roses, buds, and finely chiseled foliage (Louis XVI style). Late 19th - early 20th century. The openwork structure with sinuous lines, supports three luminous arms ending in molded glass tulip-shaped shades. The contrast between the warm gilt and the darker patina of the foliage highlights the quality of the craftsmanship. A decorative, refined, and luminous piece, ideal for an entryway, boudoir, or bedroom. Delivery within Metropolitan France: EUR100. Contact us for more information.
