Description

Very fine fluting punctuated by delicate, slightly raised satin stripes enlivens this magnificent length of canary yellow silk, its reflections shifting with the light. A beautiful contrast exists between the matte background and the satin-like stripes. A high-quality fabric. Dimensions: 6.50 meters long x 128 cm wide. Satin stripe width: 0.5 cm. Spacing between stripes: 1 cm. Never processed, the material has a beautiful drape. An ideal fabric for Louis XVI-inspired, period, or period decor. Due to its generous length and refined appearance, this fabric is perfect for making draperies, curtains, upholstering chairs or even large cushions, or for other projects according to your desires or needs. Very good condition. Please note: the fabric color is truly yellow, more yellow than in the photos. I respond
