### Description

Beautiful modular bookcase by George Nelson from the 1960s. The system, called CSS (Comprehensive Storage System), allows for the modular arrangement of elements on the metal uprights. The set comprises: 1 module with a double door and interior shelf, 1 module with a horizontal door, 6 shelf boards, and 3 profiles. It is in very good condition with slight signs of wear that do not detract from its beauty. Dimensions: maximum width (2 modules at 83.5 cm and 3 profiles at 2.5 cm): 174.5 cm; current height 260 cm, adjustable with screws or by resizing the aluminum profiles. All fixing systems are present on the top and bottom profiles and support brackets.
