

French School Circa 1920 : "album Page With Photos Of The Landes"

110 EUR

Period : 20th century

Condition : Bon état

Description

French School, circa 1920: "Album Page with Photos of the Landes Region," five silver gelatin prints: one oval (10.5 x 15.5 cm) surrounded by four others (5 x 5.5 cm), mounted on paper and assembled on a photo album page. These highly poetic and emblematic images of the Landes region are meticulously composed and graphic. With a small frame (in pitch pine, of course!), it would make a charming decoration for your Landes-style home. Please feel free to request additional photos or information by email or phone. More photos and many other items are available in our shop in Pau and on our website galerielhoste.com.
