Description

Large abstract composition dated 1971, oil on heavy cardboard, with powerful and structured forms. The work bears the monogram GK in the lower left corner. It is constructed around large, interlocking circular and elliptical shapes in a vibrant palette of incandescent yellow and deep black against a grayish-green background. The surface displays a beautiful interplay of texture and layering, typical of the artistic explorations of the 1970s. The contrast between the flat areas of color and the darker zones creates a strong, almost architectural, graphic rhythm. The piece exudes a striking visual presence, ideal for a contemporary, minimalist, or vintage-designed interior. Period: French work, early 1970s. Medium: Oil on heavy cardboard. Dimensions: 67.5 cm x 52 cm. Presented in a simple studio
