

Gilt Brass Photo Frame, Late 19th Century

250 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Description

A very pretty little photo or miniature frame in gilt brass, in the Louis XVI style, French work dating from the late 19th century. In very good original condition, with some slight discoloration of the fabric, probably due to sun exposure, and the absence of the original hanging loop, replaced by a modern ring (invisible when the frame is hung). It measures 13 cm in diameter, with an inner frame diameter of 6 cm.
