

Biedermeier Sofa, Circa 1830

3 300 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Width : 210

Height : 98

Depth : 70

Description

Biedermeier sofa crafted from cherrywood, featuring a multi-curved backrest and sleigh-shaped armrests. Ebonized turned stretchers are positioned between the armrests. The frieze incorporates two large drawers fitted with ebonized ball pulls. The seat, backrest, and two side bolster cushions have been newly upholstered in a black fabric with a rhomboid pattern.
