

## Medal Of July 14, 1790, Confederation Of The French, Revolution By Cakes, 18th

250 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

### Description

Medal of the French Confederation by Gatteaux in 1790 in mercury-gilded bronze. This medal was distributed by the City of Paris to the federates of the departments and to the civil servants of the capital. The ribbon is not original, but is the 19th in my personal collection. Beautiful original medal, from a personal collection.
