### Description

Game Table - Vintage - 1970s Dimensions: 68 x 65 cm, H: 45.5 cm - Chessboard: 65 x 65 cm  
Materials: Chrome - Smoked Mirror Glass - Resin "20th Century Plexiglas Chessboard by Michel Durand" Rare chessboard designed by Michel Durand, a 20th-century designer. The table consists of a chrome base topped with a smoked glass chessboard. The pieces are made of molded resin, both transparent and smoked. Some chips are visible on the pieces (see photos). Wear consistent with age and use: a chip on the edge of the glass is visible in our photos. The chess pieces are complete and sold in their original storage box.
