

Carved Oak Panel, Descent From The Cross, 17th Century.

480 EUR

Period : 17th century

Condition : Très bon état

Material : Solid wood

Width : 40 vms

Height : 57cms

Description

Beautiful panel depicting the Descent from the Cross. A very beautiful scene, imbued with restrained sorrow. The Virgin Mary and Mary Magdalene are present. Christ's anatomy is beautifully rendered. The drapery of the holy women's robes is particularly interesting. Precise details are present, such as the perfume pot in the lower right corner. The panel is in perfect condition. France, early 17th century.
