Description

Legrand Limoges Porcelain Dinner Service, circa 1930

Service for 8

An important fine porcelain dinner service by the Legrand manufactory in Limoges, produced around 1930.

The design features an elegant octagonal form characteristic of the Art Deco period, enhanced by a double gilt rim and a refined chevron frieze. The satiny whiteness of the porcelain contrasts harmoniously with the restrained richness of the gilding. Faceted handles and finials, along with gently canted lids, reinforce the geometric coherence and architectural presence of the ensemble.

Composition:
