Pair of coffee tables / side tables, glass and brass, 60 × 60 cm, Italy, 1960s. In the style of Romeo Rega, Pierre Vandel or Renato Zevi (Hollywood Regency). Gilt metal with double patina and glass, Italy, circa 1960. Each piece bears the original "Made in Italy" label under the stretcher. Modernist metal structure with a dual finish, alternating wide profiles with bright gilding and recessed fluting featuring contrasting gilding, creating an architectural interplay of light. Each table has a recessed clear glass top. In used condition. The set retains an overall attractive appearance and its shine; however, there are some oxidation marks and localized losses to the gilding (see detail photos).
