Depth : profondeur 35,5 cm

Description

A Louis XVI style work table in rosewood veneer inlaid with a bouquet . The drop-leaf top is edged with a chased bronze border. The exterior of the top is decorated with a bouquet of wildflowers, roses, and wild roses. The interior reveals a mirror framed with a bronze border, opening to reveal compartments. The four tapered legs are adorned with chased bronze rings decorated with ribbons and foliage, joined by an X-shaped stretcher whose center is decorated with a metal finial. Height 70.8 cm / Width 50.3 cm / Depth 35.5 cm. Late 19th Century
