

19th Century Mulberry Wood Rattle

65 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 235mm

Width : 45mm

Description

A 19th-century mulberry wood rattle with a hazel handle. This idiophone musical instrument, dating back to the Middle Ages, is also called a brouan or tartuleuil, or jarre in Luxembourg, and is still widespread throughout Europe today. Simple in design and use, it is a popular instrument and also a toy for children.
