

## 23.88 Gram Yellow Gold Bracelet

2 900 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description
-------------

This bracelet, crafted in yellow gold and weighing 23.88 grams, offers a striking presence while maintaining timeless elegance. The natural warmth of yellow gold enhances the understated design and highlights the quality of its craftsmanship. A classic and refined piece, ideal to wear alone for a clean, minimalist look or layered with other pieces for a more contemporary style.
