Empire Style Commode, 19th Century

480 EUR

Period : 19th century

Condition : Très bon état

Material : Wallnut

Length : 430mm

Width : 245mm

Height : 360mm

Description

A rare Empire-style commode in walnut and walnut veneer, with three drawers with ring pulls. The front uprights are half-columns, and the commode rests on a square base. The top and sides are made from a single panel. This small commode is in very good original condition with a beautiful patina. A collector's item.
