

## Angel's Head With Wings Gathered Behind The Head. 17th Century. France

260 EUR

Period : 17th century

Condition : Très bon état

Material : Solid wood

Width : 15,6 cms

Height : 30 cms

### Description

Beautiful angel's head with closed eyes and a slight smile; the perfectly oval face is framed by two symmetrical wings, creating a lovely balance. Oak, appliqué sculpture, flat back. Likely a church or chapel ornament. France, late 17th or early 18th century.
