

## Malachite Trinket Dish Or Bowl

250 EUR

Period : 20th century

Condition : Très bon état

Diameter : 16,50 cm

Height : 4 cm

### Description

Beautiful Malachite trinket tray, a semi-precious stone with a brass rim. Ideal as a jewelry holder, catch-all, or display stand. It is in perfect condition. Malachite is a reassuring stone, said to reduce stress and boost self-confidence. Soothing and calming, it is believed to bring inner peace. It is also said to facilitate persuasion by promoting clear and composed speech. Malachite primarily works on the heart chakra (fourth chakra). Its dimensions are 16.5 cm in diameter and 4 cm in height. Shipping available in France and Europe.
