### Description

Important Boulle marquetry liquor cabinet RARE because it is inlaid and decorated on all four sides Napoleon III period Magnificent brass marquetry on a red tortoiseshell base. Ingot molds and beaded borders, bronze feet, handles 4 large bronze caryatids support the front Mahogany interior and presentation tray, removable gilt bronze stand with floral motifs hinges and lock chased with acanthus leaves Magnificent gilt crystal interior The interior is particularly intricately crafted, and it is complete (all pieces match). I must point out that a number of glasses have chips or are missing, as well as damage to one stopper socket. The decanters are in good condition; the gilding is well preserved and shines brilliantly! - 4 identical decanters, - 18 identical glasses matching the decanters. Original
