Description

COD 11478 Antique 17th-century Italian painting. Oil on canvas artwork depicting a religious subject, Saint Rita of Cascia, of excellent pictorial quality. The painting, which extends vertically, is beautifully sized and proportioned, and lacks a frame. The artwork depicts the nun contemplating a large crucifix. The saint's delicate posture, holding the crucifix in her hands, is remarkable. The painter masterfully depicts the body of Christ in a naturalistic manner. The canvas shows several signs of aging and small losses of color. The painting has already undergone conservative restoration, relining, and replacement of the stretcher. In fair condition, to be restored or preserved in its beautiful patina. As each of our products it will be accompanied by a certificate of
