

## Menpo Period, Mid-edo, Samurai Mask

790 EUR

Period : 18th century

Condition : Etat d'usage

### Description

Menpo made of black lacquered iron on the outside and red on the inside. Removable nose. It was once adorned with a mustache, but this is no longer present. Yodarekake, also made of black lacquered iron on the outside and embossed red on the inside, also had a headband of hair at the bottom. Oxidation is present, especially on the left side of the Yodarekake (missing). The lacing has been restored. The mask is quite heavy, weighing 420 grams. The Yodarekake is 19 cm wide. Please feel free to ask any questions. The photos are part of the description.
