#### Description

A charming Japanese incense burner, rectangular in shape on four feet, it has a finely crafted bronze mount, openwork and adorned with roses and twisted friezes. In a neoclassical style for the mount, the porcelain features a rich decoration in shades of red, green and yellow, with two handles decorated with scroll motifs. In good condition, however, two normal firing cracks between the handles should be noted, and the lid has cracks at the welds. Japanese work for the porcelain and French for the mount, late 19th/early 20th century. Weight: 1020 g, Dimensions: Height: 15 cm, Length: 13.5 cm, Width: 10 cm.
