

## Gilt Bronze Clock

280 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Length : 38 cm

Height : 30 cm

Depth : maxi 15 cm

### Description

A lovely late 19th-century gilt bronze clock adorned with a painted porcelain plaque. The gilding, dial, and porcelain plaque are in very good condition. There is just a small dark spot on the child's head which may have slightly affected the gilding. The gilding could use a light cleaning to restore its original shine. The pendulum is present, but the key is missing.
