### Description

The three tabletops, with molded edges, feature a marquetry 'radiating' design within an oval. The large tabletop (50x30cm, h.60cm) and the medium one (43x30cm, h.58cm) rest on slightly curved 'tapered' legs, connected by three rungs. The smallest tabletop (36.5x30cm, h.56cm) has four legs, also curved, connected by an 'X' shaped stretcher. These Art Deco tables are in very good condition, in the style of André Groult (1884-1966), a decorator and furniture designer from the years 1925-1940.
