Christian cross mural in turquoise blue glazed ceramic, middle of the 20th century. In a world where ceramics becomes an art of expression as well as a popular utility, this cross was born from the religious craftsmanship of French ceramists, with an enamel nuanced with turquoise blue and cyan. It symbolizes the victory over death & hope. Blue being the color of hope and life, it is highly decorative with its superposition of patterns & enameled nuanced colors similar to the brightness of church windows. Extraordinary, this enameled ceramic cross is made to be placed on the wall thanks to its wall hanger on the back. She will bring Christian protection within your home, with her nuanced blue.
