### Description

Zenith Chronomaster Original 1969 stainless steel chronograph (ref. 03.3200.3600/22.M3200), a reissue of the 1969 A386. The 38mm stainless steel case houses the El Primero 3600 automatic movement, featuring a 1/10th-second chronograph, a quick-set date window at 4:30, and a 60-hour power reserve. A sapphire crystal case back reveals the movement. The watch has a matte black dial with three subdials, is water-resistant to 5 ATM, and comes with a metal bracelet and a smooth bezel. This item is in near-mint condition, having been worn very little, and includes its certificates and original box. It is under Zenith warranty 2029.
