### Description

Monumental 5-Arm Neoclassical Art Deco Bronze Wall Sconce, 1940s. This monumental bronze (or gilt brass) wall sconce features five arms and a highly architectural design. The arms are made of curved, stirrup-shaped tubing with fluted candle holders and faux candles, embodying a neoclassical style with an Art Deco touch. A wide band in the center, decorated with a mascarón and friezes, adds a sculptural relief. A striking presence on the wall, it functions as a true statement piece, ideal for an entryway, living room, or stairwell.
