

## Green Opaline Lamp From The Napoleon III Era

450 EUR

Period : 19th century

Condition : Bon état

Material : Opale

Diameter : 20 cms base en bronze 13,5 cms au plus large de 1 opaline

Height : 30 cms 31 cms à la douille

### Description

Antique opaline glass lamp converted to electric, with a bronze base. Decorated with bouquets of flowers featuring engraved and gilded roses, a slight raised edge at the bottom of the opaline glass, and a bronze neck adorned with bunches of grapes. The green opaline glass has a slight transparency, and there is some wear to the gilding. Sold without a lampshade
