

Japanese Bronze In The Style Of Miyao

2 200 EUR

Signature : dans le gout de Miyao

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 26 cm

Height : 16 cm

Description

Depicts a fisherman and his son in traditional dress on a bamboo raft resting on four legs. The fisherman steers the raft with a paddle while the boy holds a golden fish in his hands. A basket beside them, containing a fish, serves as an inkwell (the glass is missing). Beautifully crafted patinated and gilded bronze, finely chased, reminiscent of the work of Miyao Eisuke's workshops.
