Description

Daum Nancy Vase on a pedestal base with a wide conical neck, in blue powdered marbled glass, decorated with gold leaf inclusions from the "Jade Glass Vase" series. Signed on the base: DAUM, Cross of Lorraine, NANCY, France. Circa 1925. A range of elegant and understated vases, with a plain background and marbled patterns created by the vitrification of powders, sometimes with interspersed gold inclusions, was introduced, and Daum gave it the charming name "Jade Glass Vase." An expert's certificate issued by Ms. Nelly Fouchet, expert with the CEA (Compagnie des Experts en Art & Antiquités), will be provided for all purchases made at the gallery.
