

Chest Of Drawers Painted Grey, 19th Century

1 300 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 67.5

Height : 80

Depth : 35

Description

Chest of drawers dating to the 19th century, featuring three drawers and a straight case, raised on tapering legs. The gray painted finish and decorative patina are newly applied, carefully executed to evoke an authentic period appearance. Subtle surface distressing.
