Description

Magnificent antique oil paintings on canvas from 17th-18th century Europe. The first depicts the Allegory of Abundance, featuring a classical female figure holding a cornucopia overflowing with fruits and grapes, symbolizing prosperity, fertility, and wealth. The second presents an elegant female figure in classical attire, seated in a landscape with a refined exotic parrot, evoking 18th century decorative painting where the lady symbolizes beauty, grace, and prestige. Refined and decorative artworks, perfect for collectors of European historic art and antique oil paintings. Provenienza: Francie. Epoca: 1700. Dimensioni: 100x64h cm. SKU: 17184.
