

## Baroque Secretary In Ash Wood, North German C. 1720

5 500 EUR

Period : 18th century

Condition : Bon état

Material : Other

Width : 115

Height : 195

Depth : 66

### Description

A large Baroque top secretaire with a three-door lower section with a recessed footwell on spherical feet. A two-door top with a profiled and centrally raised cornice rises above the sloping flap. The front and sides have panels. Behind the writing flap are twelve drawers. The interior of the upper part of the cabinet consists of compartments and further small drawers. Behind the doors of the lower section there are also further drawers. The secretaire is made of solid ash.
