Description

Charming French sculpture from the second half of the 19th century (late 1800s), depicting a young peasant girl captured in an everyday gesture while pouring water from a jug into a small container. The artwork stands out for its remarkable realism and delicate charm, featuring a female figure dressed in traditional rural clothing. The details are finely executed, from the folds of the dress to the gentle facial expression and the natural, balanced posture. A refined decorative piece, perfect for collectors of antique sculptures and French 19th century art.
