### Description

A Masterpiece of Period Balinese Craftsmanship  
This extraordinary "Balinese carved wood phallic sculpture 1920" represents a rare opportunity for collectors of tribal and ethnic art. Indeed, the piece stands out for its meticulous workmanship reflecting the mastery of the carvers of that era. Furthermore, it is a high-quality sculpture in excellent overall condition, preserved with millimetric care. In addition, the work is still in its original patina, a fundamental detail that preserves its historical value and visual authenticity. Consequently, the observer can admire the natural nuances of the wood that only time can bestow. Symbolism and Spiritual Significance Regarding its meaning, in Balinese culture, phallic symbology should not be interpreted in a vulgar way. On the contrary, it is
