Description

According to Ingres Joan of Arc at the Coronation of the King in silver metal on wooden panelAccording to the work of the French painter Jean-Auguste-Dominique Ingres "Joan of Arc at the Coronation of King Charles VII", this silver metal plate was commissioned by editions Desgodets and Gerard, sculpted by G. Faraoni.Affixed on a magnificent natural wooden board as an easel, this plaque and its foot on the back show the beauty of Joan of Arc, Holy warrior of the 15th century, known for her devotion to her faith and her heroic & warrior prowess that led to the coronation of King Charles VII.The quality of the silver-plated metal stamped in bas-relief makes this plate a true work of religious art, resulting from the religious craft of the half of the 20th century. Perfect for lovers
